4. Treasurer's report for F/Y 2016-2017.

Dr. Young reported that since July 1, 2016, the Board has received \$293,531.35. The majority of these fees do come from biennial fees. There are a few outstanding renewals, but most of the income has been received. As reported there were increased costs due to the Board training in January. All costs were covered by the budget. There will be travel costs related to the ASPPB in Memphis with sending Ms. Alldredge, Dr. Owens and Dr. Paul. Otherwise all expenses should stay the same. The 12-month CD renewed in January gaining \$27.35. The bank balance is \$246,172.27. Dr. Paul talked about an audit by Debra Scott and one of the things that was discussed was a salary range for office employees, specifically for the position of Executive Director. Ms. Becker offered to send salary ranges that the Children's Cabinet uses to assist in this. Dr. Paul stated that another item that Debra Scott brought up was the implementation of online renewals. Ms. Alldredge stated that the payment we are currently making for the database includes a piece of undeveloped software that will allow us to do this. Ms. Bradley found in the regulations that we can charge back for credit card fees. It was stated that as soon as the legislation session is over we will move forward with an on-line payment system. Dr. Young made a motion to put \$5000.00 from the checking into a CD annually. Dr. Owens second. Board Vote 6-0-0. Dr. Paglini motioned to approve the treasurer's report. Dr. Owens second. Board Vote 6-0-0.

6. Discussion and Decision regarding Unlicensed Activity

A. Update regarding complaint for Injunctive Relief filed against David Hopper in the Eighth Judicial District Court.

Ms. Bradley provided the Order of Affirmance granting the injunctive relief and an order granting attorney fees. The Board is owed a little under \$32,000.00 that should go back to the Board. Dr. Paul suggested placing the receipt of fees/cost under the Treasurer's purview to make sure the receipt doesn't fall away from the Board's tracking. Ms. Bradley stated that she will look into what may be needed to receive these funds. Ms. Bradley shared that Mr. Hopper's Board received allegations that he was doing immigration evaluations after this case was filed. Ms. Bradley said that she could pursue if the Board wants her to. Ms. Becker made a motion to have Ms. Bradley pursue Hopper's activity in order to hold him accountable to the order, and if need be, take action in order to protect the public. Dr. Paglini second. Board Vote 6-0-0.

B. UL20150001

Ms. Bradley stated they may need to have a hearing on this. Defer to next meeting.

7. Complaint #15-0115: Jennifer Highsmith

A. Review and Approval of Supervisor as required by stipulated agreement.

Dr. Highsmith reported that Dr. Nicole Cavanaugh, Ph.D. in Las Vegas has agreed to supervise Dr. Highsmith. Ms. Bradley will send letter to Dr. Cavanaugh and Dr. Highsmith to include "competency language" in regard to assessment language. Dr. Paul will provide help to specific information needed with language. Ms. Bradley states that when Dr. Cavanaugh reviews and there are concerns then she will need to explain why and provide notes of suggested changes if any. Dr. Paul reminded the Board of the order. Dr. Young suggested that the results of ASPPB evaluation be sent to Dr. Cavanaugh. Ms. Becker motioned to approve Dr. Cavanaugh as her supervisor to begin March 1, 2017 with first review due April 1st. Dr. Owens second. Board Vote 6-0-0. Dr. Paul signed the settlement agreement; Ms. Bradley will send an amendment. The first report will be due April 1st and commencement of the supervision should begin as soon as possible or by March 1, 2017 at the latest.

B. Clarification of Continuing Education as required by stipulated agreement.

Lynn Beggs, attorney for Dr. Highsmith, asked the Board to clarify if the 100 additional CE hours are a total of 108 or 130. It was clarified that 100 additional CE's in person in neuropsychology are required in addition to the 30 normally required for renewal for a total of 130. Ms. Becker motioned that an amendment to the order to reflect the above statement in regard to the additional CE's. Dr. Owens second. Board Vote 6-0-0.

8. Psychology State Exam

A. Update from Exam Commissioner/Review & discussion of Contract with testing Developer PSI

Dr. Stephanie Holland states that a 1 Day Workshop is scheduled with Comira, recently acquired by PSI, on February 24, 2017. There were concerns on the high prices that are being charged; per her calculations they appear to be charging approximately \$400.00 per hour. Dr. Holland asked for the new contract and PSI only sent an addendum this morning, not a new contract. Dr. Holland is asking for some guidance in this matter. It was stated that the contract with Comira was \$3000.00, now with PSI they are asking \$6400.00. Dr. Holland is concerned with large increase. Ms. Bradley raised concern regarding the format of the amendment and the need for contracts to be on state forms. Ms. Bradley and Ms. Alldredge will look at the original contract with Comira and see what is required in order to institute a new contract. Dr. Paul asked if Dr. Holland would be able to facilitate test construction and test item writing, as with changes on the horizon for the profession changing to a law based exam may be best. It was stated that we are still under the old contract with Comira, as we have not signed anything at this point. Dr. Paul stated that we are authorizing Dr. Holland to pay PSI under the old contract until a new contract is developed. The focus group scheduled for February 24, 2017, if under the old contract can go forth. The Board will discuss future exam development at the April meeting.

9. Schedule of future Board meetings, hearings, and workshops

The next Board meetings are Friday April 7th, 2017 and Friday May 5th, 2017. The ASPPB meeting is end of April. A hearing is set for Monday, March 20th, 2017 at 1pm.

10. Board needs, operations, and schedules.

A. Discussion and Development of Evaluation committee

Dr. Paul introduced the need for the committee, with the Board receiving applicants from Non-APA accredited programs who are finding it difficult to locate reviewers. With the recent language change, there are three ways currently offered for the evaluations. 1) ASPPB review of the course work 2) Finding a chairman, dean, or department head of an APA-approved graduate program 3) Or the Board can establish a sub-committee to review applications. It was discussed whether this committee would be just Board members or a mixture of Board members and possibly non-Board members. This committee would develop a new worksheet/form that aligns with the new regulations. To include non-Board members, it needs to be added to the regulations. It was decided that Dr. Paul, Dr. Young and Dr. Owens would be this committee. Dr. Ghezzi made a motion to create a committee with Dr. Paul, Dr. Young and Dr. Owens as this committee. Ms. Becker second. Board Vote 6-0-0. Further meetings will be coordinated through the Board office and noticed on the website.

B. Presentation of New Discipline Procedure

1. Meeting with Senator Joe Hardy

Dr. Paul stated there was a warm reception and they were able to show him how this Board has been making significant strides in licensing quickly and efficiently and how we have worked nationally with the PsyPact. Senator Hardy had recommendations for who to talk with and Ms. Laxalt and Ms. Alldredge will be working on that.
