4. Treasurer's report for F/Y 2016-2018.

Treasurer is not present

Director Gleich presented the updated Budget. Ms. Becker had many questions regarding the P & L format and information presented.

Dr. Paul asked Director Gleich if the accountant had been in touch with her regarding spending time with her and Dr. Owens to be able to receive some training regarding the QuickBooks set up and spending coding. Ms. Becker requested to review the financials in advance of the meetings. Dr. Paul suggested deferring the Treasurer's Report to the April 20, 2018.

5. Review of complaints, disciplinary actions, and litigation pending.

- A. **Complaint # 17-0824** – Dismissed by the Board on February 23, 2018.
- B. **Complaint # 17-1025A** – Dr. Young is still investigating as more witnesses are available
- C. **Complaint # 17-1025B** – Dr. Young is still investigating as more witnesses are available
- D. **Complaint # 17-1109** - Dr. Young is still investigating as it is related to above
- E. **Complaint # 17- 1131** – This case is being assigned to Dr. Lenkeit, Investigator. Requests deferred to future Board meeting.
- F. **Complaint # 17-1214** – Ms. Bradley still working on a Settlement Agreement

- G. **Complaint # 17-1221** – Received from citizen advocacy. Psychologist practiced in CA and maintained license in Nevada. All correspondence to the Psychologist has been returned. Ms. Bradley is going to investigate and make sure we have a record on file.
- H. **Complaint # 18-0123** – Requests to combine both H and I. As they are filed by separate parties against the same psychologist with similar accusations.
- I. **Complaint # 18-0124** Dr. Lenkeit, Investigator, stated that the Psychologist that is the subject of the complaint is not currently licensed in Nevada, but works for the Department of Corrections, and has an open application for licensure. Complaints by two individuals who are inmates, and were convicted of sexual assault. Both Complainants raised issues with the Static-99, as the questions are biased against their lifestyle. Psychologist noted that as an instrument for measurement is required by the Nevada Parole Board, the Static 99 is only one reason out of five reasons for parole denial. Dr. Lenkeit recommends dismissal of both Complaints. Dr. Paglini noted that the Static-99 is an accurate instrument based on the statistics and no bias. Dr. Lenkeit will do a write it up and provide at next Board meeting.

Dr. Wood made a motion to dismiss both cases; Dr. Paglini second; Board 4-0-0

- 6. **Review and possible amendment of the Order Approving Amended Stipulation for Settlement of Disciplinary Action and Entering Terms and Conditions Regarding Respondent's License in Case Nos. 16-0909 and 16-1005 regarding Gregory Brent Dennis, Ph. D., License Number PY0312. Board staff requests that the Order be amended on page two, paragraph D to indicate that licensed psychologist Dr. Shera Bradley will provide clinical supervision of Dr. Dennis as ordered by the Board.**

Dr. Dennis originally named Dr. Dan Shiode to be Dr. Dennis' clinical supervisor, and the Board approved it. Dr. Shiode could not do it. Dr. Lenkeit was given the task to find a new Supervisor and he found Dr. Shera Bradley. She has agreed to supervise but requested settlement be voted on and updated by the Board. Dr. Wood moved to accept the change, Ms. Becker second; Board – 4-0-0
