Minutes of November 9, 2018 were presented and read. Dr. Paul noted clarification of those who attended the November meeting. Additionally, under Public Comment, Dr. Paul noted that Mr. Wiskerchen's statements were not presented in entirety, and to be more specific about the Board's intent to remove psychological testing, her exact changes will be emailed to Director Gleich to have the minutes corrected. Under 9D, President Paul noted that this was from an informal conversation with a colleague. Under 13a it is stated "... Dr. *Evarts displaying ...*" This should be changed to *demonstrating*.

**4. Review, discuss, and possible approval of Treasurer's report for F/Y 2019 (July 1, 2018 through June 30, 2019);
Review, discuss and update on current of biennial budget (July 1, 2018 through June 30, 2020).**

There has been an increase in the Administrative Services costs, on the budget. The Board is required to pay the Legislative Counsel Bureau (LCB) for all of the work completed on our regulation changes. Otherwise, The Board continues to receive the biennial fees, as usual. In the past, we have received the majority of the funds in the month of December. Aging and Disability Services Division (ADSD) has agreed to allow us to keep 10% of the received LBA and LaBA fees to cover the staff and administrative costs incurred in processing the BA renewals. Director Gleich will be working with ADSD on the transition and will report back in January.

Director Gleich approved Ms. Rahn to work a few extra hours weekly to assist in processing the renewals. Additionally, to save money, and to assist in defining proper boundaries between Board and other business, Director Gleich would recommend switching to Google business suite emails for the Board President, Secretary/Treasurer, Executive Director and both Board Investigators.

Director Gleich will meet with Dr. Owens prior to the January meeting, to discuss the budget, and necessary changes and updates and present the recommendations to the Board.

Dr. Owens to call in for January 11, 2019 Board meeting with Treasurer's report.

No update.

B. Update and Discussion regarding the Reserve Policy for the Board, as requested to be developed by the Legislative Sunset Committee.

The reserve policy was presented to the Board, and will be discussed at a future meeting.

Dr. Lenkeit reviewed the provided information, as Board Investigator. Through investigation of both the complaint and the response, Dr. Lenkeit found the provider to not be at fault and recommended the complaint for dismissal.

It was noted during discussion; the Board should reach out to licensees and encourage providers to reach out to both parents in custody disputes and record any and all attempts that are made. While either parent can give permission to providers to engage in psychological services with their child, best practices dictate that providers reach out to both parents in custody disputes to obtain permission and record any and all attempts made to obtain consent for treatment. In addition, providers should follow the demands of the court order for treatment.

Dr. Owens moved for dismissal; Dr. Papa seconded; Board 7-0-0
