G. Complaint #19-1029 – Continued to the February Board meeting.

H. Complaint #19-1106 – Dr. Lenkeit presented information on an unlicensed activity complaint. Complaint included multiple claims of unlicensed activity. Subject has been convicted of insurance fraud in California for the same unlicensed activity in California. Dr. Lenkeit recommended the board issue a cease and desist letter to the subject of the complaint due to engaging in unlicensed activity in the state of Nevada with requirement to close his website. Additionally, he recommended that a letter be sent to each of the chief judicial judges informing them that this subject is not a licensed psychologist in the state of Nevada and not licensed to provide evaluations and treatment as a psychologist, and has been previously convicted of fraud for providing such services in California without a license. Dr. Lenkeit also recommended that a letter be sent to the Bureau of Disability Adjudication (the agency reviewing Social Security Disability in Nevada) informing them that the subject is not licensed and purports to be providing disability evaluations in the state without a license. Finally, he recommended that a complaint be filed with the appropriate law enforcement agencies for the investigation of fraud, including insurance fraud. I. Complaint #19-1108 – Allegations against a psychologist alleging that the psychologist excused a student from school which is out of the scope of practice for the psychologist. Complainant also states that the psychologist made recommendations to the school that were outside of the scope of practice of the subject. Dr. Lenkeit stated, that after the review of the records, the respondent made recommendations that are in line with the scope of practice of the psychologist and he did not find any violation of NRS 641 or NAC 641. He recommended the complaint be dismissed. Dr. Krogh moved to dismiss the complaint. Dr. Holland seconded the motion. Board vote 4-0-0.

(For Possible Action) 6. Discussion of Board office staffing. With Director Gleich resigning from the Board effective January 30, 2020: The Board must discuss if the expectations currently held for the Executive Director position should be changed or evaluated. Additionally, coverage of the Board office and duties needs to be addressed as Director Gleich is the only full-time employee of the Board.

Dr. Owens thanked Director Gleich for her service to the Board over the twelve years.
a. Discussion of and possible change to Board office hours
   Specific hours should be provided to the applicants, licensee and public in a manner
   that is most clear. See 6d.

b. Discussion and development of Executive Director and other Board office staff Job
   descriptions.
   Dr. Owens, along with past presidents Dr. Lenkeit and Dr. Paul, met to discuss refining
   the job description to meet the Board’s growing needs. It was noted that the current
   Job description could be opened to both Reno and Las Vegas, that the Board office
   would move to Las Vegas, if the person hired is from the southern part of the state.
   The board will need to balance cost of moving the board office to the south if a
   candidate from Las Vegas is considered. Dr. Papa also mentioned that a reason to
   keep the Board office in Reno, is to remain close to the legislature.
   Dr. Owens mentioned that with a larger pool in Las Vegas area, the Board should be
   open to the most qualified candidates.
   Additionally, discussion involved the idea of splitting the Executive Director role into
   a 30-hour position and hire an additional 30-hour individual who would oversee the
   administrative and office management. Final Job description will be created by the
   Search Committee as outlined in 6c.

c. Discussion and development of a committee to hire Executive Director for Board.
   Committee will be responsible for final development of job description, posting and
   evaluating of open position(s). Will work with Attorney General’s office to guarantee
   that all requirements are met in hiring a public officer for the Board.
   Ms. Bordelove noted that the committee can be responsible to draft and develop the
   job description, accept applications and make a recommendation to the full Board for
   the hiring of the new Executive Director. As the Executive Director is an employee of
   the Board, as a whole.
   Dr. Papa moved to form a committee to hire Board office staff. Dr. Holland second.
   Board vote 4-0-0.
   Dr. Holland moved to develop the committee will consist of Dr. Owens, Dr. Papa and
   Dr. Lenkeit, as a Board employee member. Dr. Papa second. Board vote 4-0-0.

d. Discussion and development of strategy to manage Board office needs, in the interim.
   Due to time constraints of the board meeting, Dr. Papa motioned to allow Dr. Owens,
   board president, to make decisions regarding board office operations, including office
   hours, temporary support and hiring of interim staff, interim PsyPact commissioner
   and other office operations needs until a new ED is able to be hired. Seconded by Dr.
   Krogh. Board vote 4-0-0.

e. Update from Director Gleich regarding the transition. No Comment.

(For Possible Action) 7. Discussion and vote on PSYPACT commissioner, effective January 31, 2020. As Director Gleich is

      moved back to November 2020. The Board will address this change of testing and discuss how
      to contact and forward the information to individuals affected by this change.
No discussion. Moved to the February 14th Board meeting.

All deliberation and action will occur in an open session.

Note: Applicant names are listed on the agenda to allow the Board to discuss applicants when necessary to move the applicant through the licensure process. The listing of an applicant’s name on the agenda indicates only that an application for licensure/registration has been received. It does not mean that the application has been approved or that the applicant must appear at the meeting in order for the applicant’s application to move forward through the licensure process.
