14. Development of Annual practice-based evaluation for CABIs. (NAC 641.1327).

The Board asked that all Licensed Behavioral Analysts in attendance of the meeting submit their annual review of CABIs to the Board for review, which are performed in accordance with BACB stipulations. Ms. Alldredge will review all submissions to help formulate a draft procedure.

15. Discussion of EPPP Procedures.

Ms. Alldredge informed the Board that there is some concern with the procedures currently in place as some applicants have taken the EPPP many times without success. In other jurisdictions there is an enforced limit where an applicant must resubmit or cease application after a certain number of failures. The Board wants to discuss a possible limitation of attempts, and would like to see some procedure examples. Discussion deferred to January 17, 2014 Board meeting.

16. Correspondence

Dr. Sharma requested that the Board allow her to get her Non-APA evaluation done with the National Register for Health Service Psychologists. The Board agreed to accept an evaluation from the National Register. Ms. Alldredge will inform Dr. Sharma of the Board's decision.
