In Reno:

Anthony Papa, Ph.D., Member

Others Present:

Ellen Rahn, Executive Assistant
Sarah Bradley, Senior Deputy Attorney General
Jake Wiskerchen, MFT/CPC Board President

2. Public Comment

Mr. Wiskerchen came to discuss coordination of solutions among Boards and update NBOP on the Board of Marriage & Family Therapists in regards to organizational updates and changes. Updates include changes in staff, updates to NAC and work on the MFT Board's website with the aim of completing renewals online. They are seeking approval in the Nevada Legislature to raise fees as they are unable to fund anything beyond a skeleton staff. They hope to open up the applicant pool by restoring scope of practice for CPC to counsel couples and families and will not be pursuing psychological assessment in their language. Mr. Wiskerchen informed this Board of the MFT Board's requirement for trainees to have 2 supervisors and broke down how the supervision occurs in chunks.

Mr. Wiskerchen noted that he feels that all Boards should be aligned and advocate for each other in order to ensure no miscommunication between them. On behalf of the Board, President Paul thanked Mr. Wiskerchen for his information.

3. Review, discuss, and possible approval of minutes from previous meetings: October 12, 2018.

Minutes of October 12, 2018, were presented and read.

President Paul previously emailed changes to Director Gleich. Ms. Becker noted editorial changes regarding maintaining the same title for Ms./Director Gleich, and asked for clarification on #14 wherein it is written: *“Dr. Papa volunteered to compare the two in order to guarantee no pieces are missing with the dropping of APA regulations and will report back by August of next year”* Director Gleich clarified that this is because changes to NAC cannot be made until July 2019.

Ms. Becker moved to accept minutes with editorial changes; Dr. Papa seconded; Board 5-0-0

4. Review, discuss, and possible approval of Treasurer’s report for F/Y 2019 (July 1, 2018 through June 30, 2019); Review, discuss and update on current of biennial budget (July 1, 2018 through June 30, 2020).

Dr. Owens presented the Board’s finances. With the beginning of renewals, the Board brought in \$37, 086.97. The Board office continues to keep the costs low. Board expenses were \$12, 003.51 for the month of October, resulting in a net income of \$25,003.51. The Board hopes to take in at least another \$200,000.00 in renewal funds. Ms. Becker requested that Director Gleich reach out to Aging and Disability Services Division, to see if they can retain 10% of the all renewal funds collected on behalf of the Behavior Analysts. She feels that is an appropriate amount to cover all the costs incurred by the Board in reviewing and facilitating the renewal process. Director Gleich had already directed Ms. Rahn to track her time spent on BA renewals so that we can at the minimum recoup the administrative cost. She will contact ADSD in the upcoming week to see if they are willing to agree to the 10% request. Director Gleich will update the Board in December.

Dr. Owens reported a miscalculation in preparing the online renewals. The added processing fee had not been added to the PayPal processing for the first few renewals. This should not negatively affect the Board’s budget, but Director Gleich will keep an eye on the remaining renewals. Currently, the Board’s Bank account is at \$62,466.01.

A. Recouping outstanding Legal Fees Owed to the Board from Disciplinary and Unlicensed Practice cases.

Director Gleich has reached out to the Comptroller’s office as directed by Ms. Bradley and will update the Board once there is more information.

B. Update and Discussion regarding the Reserve Policy for the Board, as requested to be developed by the Legislative Sunset Committee.

Action Items: Director Gleich to keep in contact with the Comptroller’s office; reserve policy discussion is deferred for December meeting.

Request fee reimbursement for behavior analyst work before transfer to Aging & Disability Services Division next month.

The Board may vote to provide a raise or other benefit increase for Executive Director Gleich.

Director Gleich to email performance evaluation form to Board members and contracted personnel to complete, which will then be returned to Dr. Paul for review.

Dr. Owens motioned to add a procedure to solicit input from Board staff and contracted personnel; Seconded by Dr. Ghezzi; Board 5-0-0

9. Board needs, operations, and schedules

A. Policy regarding applicants seeking licensing examination accommodations. The Board may discuss, review, and possibly approve a policy for applicants seeking licensing examination accommodations.

Item deferred to December 14 meeting

B. Update/Report from Nevada Psychological Association Representative

No report given

C. Update regarding National Register of Health Service Psychologists (NRHSP) providing equivalency evaluations for foreign applicants. The Board may discuss changes that need to be made to office policies, procedures, and regulations.

Item deferred to December 14 meeting

D. Update regarding online renewal development and outline of details and procedures in the upcoming renewal.

Director Gleich updated the Board regarding online renewal process. Overall it is going well other than the missed fees noted during the treasurer's report. Some psychologists have complained about the concerns about the security of the renewal site. Dr. Paul noted that in an informal conversation with a colleague in IT that Google's alert system has a lower bar but that does not necessarily mean the site is not secure. Director Gleich will continue to work with our online renewal service to ensure that the transactions are secure. So far the majority of the comments received by psychologists completing the online renewal are positive and thankful. Dr. Paul noted possibly including an educative statement regarding supervision of psychological assistants and interns when psychologists received their seal.

Action Item: Director Gleich will draft a letter and send it to Dr. Paul and Dr. Owens, for review prior to sending out the renewal seals.

E. Future Board meeting agenda items

Dr. Paul and Dr. Papa to provide ASPPB update at December meeting.

Action Item: Dr. Owens requested an item regarding the Board Bank accounts and transferring the Cash Deposits to a High-Interest Savings account.

11. Review and Evaluate the membership on the Evaluation committee (A-team). The Committee is charged with the review nontraditional applications, which include non-APA or applicants with unique supervision concerns. Additionally, the Evaluation Committee is charged with monitoring the progress of the endorsement application process and needs.

Deferred until December.

12. The Board will discuss, review, and decide what its position is regarding third-party observations of psychological evaluations. The Board will also discuss and possibly decide what action it may take regarding this issue. Action contemplated by the Board may be to create a sub-committee or working group to review this issue on behalf of the Board. The Board may also decide to send correspondence or other appropriate communication regarding its position to appropriate parties in Nevada.

Director Gleich provided public comment as noted during previous Board meeting. No further correspondence has been received by the Supreme Court. To be kept on future agenda in case there is an update.

13. Disciplinary Action:

a. The Board will discuss, review, and possibly approve a stipulated settlement agreement in case number 17-1214 regarding Frank Evarts, Ph.D., License Number PY0044.

Ms. Bradley presented the settlement agreement that was agreed upon by Dr. Evarts, counsel, and the Board.

Dr. Evarts is to complete continuing education, pay a fine of \$1,000.00 and reimburse the Board legal and investigatory costs.

Additionally, Dr. Evarts will not supervise any trainee in the field of psychology or related fields until requirements are met. While there is no timeline on the condition of the supervision limitation, Dr. Evarts wrote to the Board requesting a six-month timeline. Dr. Paul recommended that the condition of the penalty being lifted should not be based on time, but on Dr. Evarts demonstrating a higher competency for the role of a supervisor. Noting, that the continuing education requirement should be met by completing a 10 hours supervision course developed by Carol Falender, Ph.D.

Ms. Becker noted that the lack of a timeline is subjective; she read on the record suggested language which included the addition of language indicating the necessity of Dr. Evarts to notify the Board with information of the supervisee. Ms. Becker noted that the Board should be aware that Dr. Evarts has done his due diligence. Dr. Paul

recommended changes to an agreement: Dr. Evarts needs to take the Falender course and exam. Further, as noted by Ms. Becker, he needs to provide supervision information and any supervision agreements for the next 3 supervisory relationships.

Ms. Becker accepts agreement with changes noted by Dr. Paul; Counsel representing Dr. Evarts agreed to the changes. Dr. Ghezzi motioned to accept with changes; Dr. Owens seconded; Board 5-0-0

Ms. Bradley will work with opposing counsel to finalize the stipulated agreement.

b. The Board will discuss, review, and possibly approve a Stipulated Settlement Agreement in Case Nos. 17-1025B and 17-1109, Kristi Ann Walter, Psy.D., License No. PY0526

Ms. Bradley presented the settlement that was agreed upon by Dr. Walter, Ms. Singh, and the Board. The settlement contains alleged facts and conditions for settlement. The agreement requires that Dr. Walter submit an updated set of fingerprints to the Board office (to be completed within 60 days), an evaluation by a professional approved by the Board, to be scheduled within 60 days. The respondent must complete an EBAS evaluation, reimburse the legal and investigatory costs of the Board, not to exceed \$4,500.00, and submit to clinical supervision that shall not exceed 2 years. Dr. Paul recommended the use of the supervision agreement developed in a previous case.

Dr. Paul will review and approve evaluators, and reminds Ms. Singh that whoever is selected should understand the purpose of the evaluation. Dr. Owens will review and approve the proposed supervisors.

Ms. Singh will provide a list of names for approval to Ms. Bradley to be forwarded on appropriately.

Dr. Owens moved to approve settlement agreement; President Paul be lead approval of evaluator and Dr. Owens will lead approval of supervisor; Ms. Becker seconded; Board 5-0-0

14. Review and discussion regarding supervision of Lennon Tyler. This review will include supervision practice plans presented by Dr. David Linden and Dr. Lawrence Lyon. The Board will also review a request for Dr. Tyler to pay Dr. Lyon for his supervision of her post-doctoral training. The Board may grant Dr. Tyler to work and receive her required post-doctoral training and supervision under the submitted practice plans, while paying for the required supervision. The Board may also request additional information, or require additional supervision as to align with regulations stated in NAC 641.080, and NAC 641.1519-NAC 641.159.

Dr. Tyler submitted a Supervised Practice Plan to the Board for approval. Dr. Owens noted that this is out of the norm and wants to ensure that the contract is what was stipulated by Board in past phone meeting. Dr. Owens noted that Dr. Tyler had corrected the concerns raised during the phone meeting and that the agreement should be approved.

Ms. Becker moved to accept the presented agreement; Dr. Ghezzi seconded; Board 5-0-0

15. Discussion/Development of requirement for Professional Wills for licensees in future renewals

Ms. Bradley noted that if this Board requires Professional Wills to be in place, it needs to go before the Nevada Legislature and recommended tabling it for August 2019 at Regulation Change meeting. ASPPB could be used for guidance as well as APA. It was noted that Oklahoma includes a Professional Will form in their renewal packet.

16. Discuss future review regarding dispensation from continuing education requirements for renewal

No current requests

17. Update regarding the 80th session of the Nevada Legislature. The Board will receive updates regarding the status of bills and BDRS that will have effect on the Board and psychological licensing community.

A. Changes requested to NRS

1. NRS 641.040
2. NRS 641.228

3. NRS 641.195

4. NRS 641.243

A discussion was held to note to the legislators that the behavioral health boards are in discussion with one another and working to both be supportive and honest with all proposed changes. Director Gleich noted that Ms. Laxalt continues to find a sponsor for the NRS changes noted above. As the election has passed she will hopefully be able to find a senator or assemblyperson that is willing.

18. Correspondence

- a. Constance Sheltren: Request from Board for waiver of 100% presence of licensed mental health supervision of rural psychological assistant, will be available over phone 100% of time services are offered. Upon review of the request, Dr. Owens noted this is a reasonable request.

Dr. Papa motioned to accept the request; seconded by Dr. Owens; Board 5-0-0

18. PUBLIC COMMENT

No further public comment

19. ADJOURNMENT

Ms. Becker moved to adjourn the meeting at 11:18 am; Dr. Ghezzi seconded; Board 5-0-0
