 - C. Michelle Zochowski
Dr. Owens and Dr. Papa began by equivalating Dr. Zochowski's PLUS application with the state of Nevada regulations. Dr. Zochowski met clinical regulations, her credit hours aligned, she attended a recognizable program and completed a regionally accredited internship. School and education-wise, Dr. Papa noted that equivalency is acceptable. In regard to her current internship, the training and learning goals agreement align with what Dr. Papa would like to see in his students, many who have gone through APA requirements.
