**I. Anna Welsh, Psychologist Applicant**

Lisa Scurry, Executive Director, provided a summary of Dr. Welsh's application on behalf of ATEAM member Stephanie Woodard. It was determined that Dr. Welsh did meet the necessary educational requirements. The PLUS application indicated that Dr. Welsh completed over 2,000 internship hours over the course of two years, meeting the standards in Nevada. She is currently licensed in the state of California.

There was discussion regarding the number of supervised hours that occurred during the internship. It was determined that as the internship took place over two years, the number of supervised hours per week would have been halved and, therefore, Dr. Welsh met the minimum.

**On motion by Stephanie Holland, second by Whitney Owens, the Application Tracking Equivalency and Mobility (ATEAM) Committee approved the application of Dr. Anna Welsh for referral to and approval by the Board of Psychological Examiners.** (Yea: Whitney Owens and Stephanie Holland) Motion Carries Unanimously: 2-0

**J. Lauren Wecker, Psychologist Applicant**

Lisa Scurry, Executive Director, provided details related to Dr. Wecker's application. She has been currently licensed for ten years in California. Prior to that, she attended a non-APA accredited school which led to the referral to the ATEAM for review. Ms. Scurry clarified that Dr. Wecker's application was currently pending completion through the PLUS application system.

Dr. Wecker explained that a former internship supervisor has moved out of the U.S. There is no one remaining at that location that can attest to her hours. Without the attestation to the hours, the PLUS application cannot be completed.

President Owens asked if the California licensing board can provide verification of the hours. Dr. Wecker explained that she had previously requested her file from California. That file is being sent directly to ASPPB to extract the necessary documentation.

This application will return for a future ATEAM Committee meeting.

**K. Rhea Pobuda, Psychologist Applicant**

Ms. Scurry stated that this application was previously completed and will be pulled from future agendas.

**L. Luz Robles Gonzalez, Psychologist Applicant.**

Ms. Scurry explained that although the application appeared on ATEAM agendas in 2017, no documentation has been located to show the review was completed. As a result, it will remain on future agenda pending completion. The application is currently pending final completion of the PLUS application.
