4. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately and in each case must include:

(a) Both adverse and beneficial effects; and

R095-23 (R095-23RP): There should be no adverse effects to Psychologists in Nevada. The beneficial effects of the proposed revisions are intended to provide clarity to psychologists and the public regarding the impact on the Board's regulations of 2023 AB244, which was enacted during the 2023 Legislative session, and to align the Board's continuing education requirements with 2023 AB267, also enacted during the 2023 Legislative session.

R084-24: Any adverse effects on Psychologists in Nevada (a biennial renewal increase of \$50 – from \$600 to \$650) should be minimal, as the increase is incremental in relation to NRS 641.228 (permitting the Board to charge up to \$850 for biennial renewal) and is

a relatively small increase. The beneficial effects of the proposed regulation revision and small renewal fee increase are intended to ensure the Board's ability to meet the increasing costs to the Board in its operations due to inflation and to ensure the Board's ability to accommodate its need for the quantity and quality of Board office staff required to meet the increasing growth in Psychology licensure and the resulting increasing demands on the Board office.

R002-24 (R002-24RP1): There should be no adverse effects to Psychologists in Nevada. The beneficial effects of the proposed revisions are intended to provide clarity related to the supervision by Psychologists of Psychological Assistants, Psychological Interns, and Psychological Trainees.

(b) Both immediate and long-term effects.

Once the regulation revisions are approved and codified into NAC Chapter 641, the effects stated above will be immediate and long term.

5. The estimated cost to the agency for enforcement of the proposed regulation.

The Board does not believe there will be a cost for enforcement of the proposed revisions, as the proposed revisions do not require enforcement. The small biennial fee increase will be automatically assessed at the time of renewal and a requirement for renewal.

6. A description of the citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency.

The Board is not aware of any overlapping or duplicating of federal or state regulations.

7. If the regulation is required pursuant to federal law, a citation and description of the federal law.

The Board is not aware of any requirement to federal law.

8. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

There should be no duplication of a federal regulation.

9. Whether the proposed regulation establishes a new fee or increases an existing fee.

One of the proposed regulations identified above – R084-24 – increases the biennial license renewal fee by \$50 (from \$600/biennium to \$650/biennium). Neither R095-23 (R095-23RP1) nor R002-24 (R002-24RP1) establish a new fee or an increase in an existing fee.

Persons wishing to comment upon the proposed action of the State of Nevada Board of Psychological Examiners may appear at the scheduled public hearing or may address their comments, data, views, or arguments, in written form, to State of Nevada Board of Psychological Examiners, 3080 South Durango Drive, Suite 102, Las Vegas, NV 89117. Written submissions must be received by the State of Nevada Board of Psychological Examiners on or before June 6, 2024 at 5:00 p.m. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the State of Nevada Board of Psychological Examiners may proceed immediately to act upon any written submissions.

This notice and the text of the proposed regulation are also available in the State of Nevada Register of Administrative Regulations, which is prepared and published monthly by the Legislative Counsel Bureau pursuant to NRS 233B.0653, and online at <http://www.leg.state.nv.us>. Copies of this notice and the proposed regulation will also be mailed to members of the public upon request. A reasonable fee may be charged for copies if it is deemed necessary.

Upon adoption of any regulation, the agency, if requested to do so by an interested person either before adoption or within 30 days thereafter, will issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.

This notice of hearing has been sent to persons on the agenda's mailing list, licensed psychologists, posted at the Board's website at <http://psyexam.nv.gov> and the State of Nevada website (<https://notice.nv.gov/>) and the office of the Board of Psychological Examiners (3080 South Durango Drive, Suite 102, Las Vegas, NV 89117).
